

Since 1932, a statue of the Sacred Heart of Jesus has stood on the lawn at Our Lady of Victory. Today, this statue stands within the Our Lady of Victory Garden of the Sacred Heart. This Garden has been built to serve the individuals and families among us who wish to pay tribute to loved ones or special moments in their lives in a lasting way.

The black granite rings, pavers, stones, medallions, and benches are being made available to parishioners and friends who wish to memorialize a loved one, commemorate a Wedding, a First Communion, a Confirmation or other special moment. Others may simply wish to engrave a word of thanks to God.
