

# Registration

## Sacrament of First Reconciliation

Monthly classes for **ALL** children whose families are parishioners of OLV National Shrine & Basilica

Preparation for the celebration of First Reconciliation with children who are baptized is coordinated within the parish. It is the policy of the Diocese of Buffalo that First Reconciliation be celebrated in the second grade. The parish catechetical leader (*director of faith formation / religious education*) coordinates the process of preparation and the celebration under the supervision of the pastor.

**Families enrolled in Catholic schools will need to register for the First Reconciliation program at their home parish.** *The preparation process for a sacrament is separate and distinct from the second-grade faith formation curriculum and is family centered.* The complete policy, including recommended models, can be found here:
