A MESSAGE FROM OUR PASTOR

DEAR BROTHERS AND SISTERS IN CHRIST,

DISCOVER AND CELEBRATE CATHOLIC SCHOOLS WEEK 2023:

Beginning this Sunday, January 29 – February 4, we will celebrate National Catholic Schools Week with Catholic Schools across our country. **The theme for 2023 is “Catholic Schools: Faith. Excellence. Service.”** Here at Our Lady of Victory, we are proud to be one of 34 Catholic Elementary Schools across the Diocese of Buffalo. Through a Catholic education, our children benefit from religious guidance, prayer, and the support the parish provides to build a strong faith-based community. By focusing on faith, excellence, and service, the children entrusted to our care learn the importance of family, community, and serving others. Our mission is to educate our children to reach their full potential in an atmosphere rooted in Catholic tradition and Gospel values.

Our students truly are grounded in Faith...Excellence...Service...and Succeed here at OLV and for a promising future!

The benefits of a Catholic education have been studied and well-documented. Results show that students who attend Catholic school receive a challenging, high-quality

academic experience in a supportive environment, with an emphasis on Catholic Christian values and preparation for High School. The self-discipline developed by students, along with learning to accept responsibility and to respect others, work together to create excellent life-long learners.

As your Pastor, I am extremely proud of Our Lady of Victory School and the high quality of Catholic education, academic excellence and the moral and spiritual formation we provide to our students. **We are a Catholic School that forms and educates Catholics and non-Catholics alike. All are welcome!**

I wish to express my sentiments of deepest gratitude and appreciation first and foremost to our parents and guardians for choosing Our Lady of Victory School for the education and formation of their children. I know our parents realize that sending their children to our school is a wise investment that will promise to pay huge dividends in the future of these boys and girls, who will grow to become productive members of our Church and society, rooted in strong moral values and respect for all people. With that being said, I wish to acknowledge the exemplary

leadership of our Principal, Mary Szlosek, and our excellent faculty and staff. We could never pay our teachers enough for all that they do for our children. Please join me in thanking them for their great work and ministry as teachers.

I also extend huge thanks to OLV Charities, our Parish Finance Council, and to all of our parishioners and benefactors who support our school through our various fundraisers and our “Sister Ellen O’Keefe Angel Fund,” which provides tuition assistance to those in need. Your generosity and support allow us to do many things for our school and to keep the tuition affordable for our families.

Finally, I encourage everyone to become “ambassadors” for OLV School by informing the surrounding community of Lackawanna, Blasdell, Orchard Park, Buffalo and beyond of the great treasure we have here in our faculty, students and families. Please invite parents of school-aged children that you know to come and see and tour our wonderful school. **Our Open House is this Sunday, January 29, immediately following our 10:00 a.m. Mass to celebrate Catholic Education here at OLV until 1:00 p.m.** You can also call the School Office (716-828-9434) anytime during the school week to schedule a personal tour with our Principal.

Our Lady of Victory School has been educating and forming children for over 120 years and I pray that we will continue to serve our community for many more years to come. I pray every day to Father Baker and our Patroness, Our Lady of Victory, to watch over and protect our children, families, teachers and staff and to keep our school strong and viable.

May God bless Our Lady of Victory School and may God bless our parishioners for your support!

**GRATEFULLY,
FR. DAVID**

ADULT CONFIRMATION CLASSES

There are many adult Catholics who have not been Confirmed. Besides the fact that they have not been received into the full initiation of the Catholic faith, it becomes a problem when they want to serve as godparents/sponsors for Baptism/Confirmation.

If you are a practicing adult Catholic (that is, go to Communion, and if married, married according to the Rite of the Catholic Church) and have completed high school (high school students should be in our teen Confirmation program), consider attending our catechism review classes, which will take place during the season of Lent.

For questions, more information, or to register, please call Father Romulus at 716-828-9425.

A MESSAGE FROM OUR PRINCIPAL

The difficulties faced by our children today are some of the most daunting seen in generations. Right now, they are struggling through challenging times unlike any seen for more than 100 years. Each day, they find themselves trying to navigate a digital era, one marked by relentless social media bullying and online cyberthreats, not to mention a national mental health crisis arising from both of the issues listed above and compounded by the traditional ups and downs of adolescence.

I frequently ask myself what I can do to help my children better deal with these seemingly insurmountable obstacles. I find that now—given the challenges they face—there may be no time in which the qualities instilled by a Catholic education are more needed.

I am grateful to my parents for making the sacrifices they did so that my brother, sister, and I could attend Catholic schools and grow in a strong, faith-based academic environment. Doing so helped shape us into quality people with sound moral compasses.

The eighth-grade motto at our school reads: Once strangers. Then friends. Now Family. The atmosphere of Catholic schools is one in which students feel comfortable taking risks and finding successes in a variety of ways. The “family feel” encourages students to be supportive of one another in classrooms and on athletic fields and stages. And ask any of your friends or family members who have attended Catholic schools, and they will tell you that the bonds formed during their school-aged years connected them with friends for life.

According to the National Catholic Educational Association, Catholic schools consistently outperform others by as much as 20 percentage points on national and standardized tests. While curriculums are aligned with state standards, the extra resources available to Catholic school students—along with generally smaller class sizes—provide more enriching activities and individualized attention, both proven

catalysts to success. Catholic schools also allow for additional exploration and accept each child as a person, rather than just a student.

Catholic schools are financially supported by local parishes that absorb some tuition costs. In addition, thanks to the generous support of alumni, friends, and benefactors, more assistance is available to families who otherwise would not be able to enroll their children.

Each and every day, parents make decisions that impact their children’s lives. Without question, some of the most important revolve around choosing the highest quality education.

I encourage you, if you are investing in the future of your children, to continue to explore and capitalize on the unique and critical benefits a Catholic education can provide.
